

Roslagens Sparbank
 HAS AWARDED

**The Cultural Honorary Prize of the Year 2025 to Helen Eriksdotter 15,000 SEK
 WITH THE FOLLOWING REASON**

"Helen Eriksdotter receives the award for her work in a diversity of cultural expressions. Helen has her roots in classical music and is a trained flutist. On several occasions, she has put Roslagen on the map through other artistic expressions that have met an engaged audience. Through theater, she gave life to Heliga Birgitta's Finsta and many have taken part in her heartfelt musical performances. Recently, we have been able to take part in Helen's watercolor art, which has reached far out into the world and this spring her art is represented at The American Watercolor Society's annual international exhibition in New York.

Helen works interdisciplinary, constantly seeking the beautiful, the dreamy and the dramatic light."
